Dear Friends,

I awakened early this morning praying and thanking God for His faithfulness! My mind went back to a time where I remember like yesterday standing in my Dad's (Don Sr.) front yard in Ormond Beach, Florida, and him telling me, *"Don, I hate to leave you, but God is calling me to begin a new work. It is something that I have to do."* As I watched him drive away in his old brown van pulling a trailer, I remember thinking that maybe someday he would come back to Florida because he loved it so much and it was his home.

Dad never moved back because God called him to go to a place that he had never been before to build a radio station that would touch and bless the hearts and lives of multiplied thousands of people! Many of you knew my dad personally. Your love and support for him and the ministry meant everything to him. On Sunday, November 21, 2004, God called Dad home. That evening at 7:50 pm he went to be with The One that he served so faithfully all of his life. Now my staff and I are carrying on the vision and legacy that he left us.

When WJCR began broadcasting on February 5, 1990 there was no question what the format would be. It was Southern Gospel! It is what has made this station so great through the years. Miraculously, God blessed us with Kentucky's only 100,000 watt Christian radio station! Now, more than ever, I believe that God wants every song that is played on this station to be anointed and uplifting so that it will bless and minister to you, our listener. Southern Gospel is who we are and I believe that it is what our listeners want to hear. We will blend some inspirational Christian Country in, but we will play predominantly Southern Gospel. WJCR is your radio station and we want it to be a blessing to you and your family.

As I write this letter today, I have an excitement and stirring in my spirit! I truly believe that the greatest days of this ministry are ahead of us. But I need your help. It will take all of us working together to see His purpose fulfilled. If you are not a regular supporter of this ministry, would you pray about doing something to help us continue reaching possibly millions of souls. I truly believe that almost everyone could do something. We want to continue to be a beacon of light here in Central Kentucky, and around the world on wjcr.org.

Every week we are seeing souls saved and lives transformed through our food ministry outreach. We are hearing about healings, restorations, and many answers to prayers through our nightly prayerline broadcast. God is using this ministry in a mighty way to further His Kingdom in these last days. When you write, please send your prayer requests and we will pray diligently for God's answer to your needs. Thank you for taking the time to read this letter! We love and appreciate you !

Yours for Souls,

Don Powell, Jr.
